Mya:

Life is like a movie script, it changes everyday,  
Got to keep it moving, keep the haters away,  
And I'm confident, Imma keep the faith,  
And Imma stay in the kitchen, cooking up the wait,  
And the politics, there's some ground for gain,  
Makes it hard to see the fall[?], like driving in the rain,  
It's evident, it'll never change,  
So Imma turn left and go against the grain,

Bridge:

And I won't let you down,

Mya:

I've been working real hard for it, sweating hard for it,

Singers:

So you should stay around

Mya:

And I'll make it worth your while

Chorus:

(Mya in parentheses)

I'm not done, (I'm not done) Till I, till I did it, did it

You don't know, (You don't know) When I, when I'm in it,  
in it

I walk in (Oh I won't be) I won't stay for mercy, mercy

I'm not done (I'm not done) I won't beg for mercy,  
mercy

Oh whats up?

Mya:

Irrelevant, the words that they say,

Go in one ear and out the other way,

I'm over it, on another day,

Got my belt strapped tight, got my stunna shades,

Hands still grippin on the loose [?] wheel,

As the world keeps spinning and I'm standing still

I'll rise again, I'll go right to the top (top)

Work around the clock non-stop (non-stop)

Bridge:

And I won't let you down,

Mya:

I've been going real hard for it, sweating hard for it,

Singers:

So you should stay around

Mya:

And I'll make it worth your while

Chorus:

(Mya in parentheses)

I'm not done, (I'm not done) Till I, till I did it, did it

You don't know, (You don't know) When I, when I'm in it,  
in it

I walk in (I walk in when I want) I won't beg for mercy,  
mercy

I'm not done (I didn't say that I'm finished y'all) I won't  
beg for mercy, mercy

Oh no

Mya:

Imma stick to the program,

Work done see playa that's my slogan,

Imma hit a couple clubs, I ain't thinking bout the bubs,

I can get myself off with my own hands,

Been gone, but I'm back with a vengeance,

Take my time, ain't thirsty for attention,

Where she been? What she doin? She's not singing?

It ain't over, no it's more like the beginning

Chorus:

(Mya in parentheses)

I'm not done, (No I ain't done till I did it) Till I, till I did it,  
did it (And everybody going to know when I'm in it)

You don't know, (Non-believers gonna say what they  
say, do what they do and Imma put shorty away) When  
I, when I'm in it, in it

I walk in (Ay-yay) I won't beg for mercy, mercy

I'm not done, I won't beg for mercy, mercy (I won't beg  
for mercy)

Oh no

Till I, till I, did it, did it

You don't know, (you don't know) when I, when I'm in it,  
in it

I walk in, (I walk in) I won't beg for mercy, mercy,

I'm not done, (I'm not done) I won't beg for mercy,  
mercy,

Oh no
