Yeah, it's all about you
Yeah, it's all about you, yeah
Yeah, it's all about you
Yeah, it's all about you, yeah

Baby, I cook your dinner, I wash your clothes
Baby, hell no that's not the way it goes
It's all about me tonight, yeah, I ain't stop lovin' you
'Cause you're still my boo, you're still my boo
But you gotta see tonight is all about me, me, me, me,
me

Tonight is all about me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Up jumps my butt, nigga what? Nigga what?
You know I caught, yo, eyes lookin' at my thighs
Now swing my body right to left, left to right
You know this is, ish tight, now just look at my body,
body
And just hold me like a man should, baby, you gotta
see
Tonight, baby, it's all about me

Tonight is all about me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

You know that I wanna love you for life

So let's make tonight, let's make tonight
All night, my arms are open wide
So let me come inside, yeah, yeah, baby
Is that what you want from me?
'Cause that's what I need

Tonight is all about me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Tonight is all about me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?

Me, me, me, me, me
Forget about you, you, you, you, you
So what you gonna do, do, do, do, do?
Are you gonna get it up, get it up?
