Is it really real, the love that you feel for me?  
Or is it a game, for you to get in on my groove?  
But boy, don't be dismayed, I feel it too  
But if I oblige you, will your love remain the same?

If I give you all I've got, all I have that's in my heart  
Will you remain, remain the same, keep on lovin' me?  
'Cause of all that I wanna do, take the time to show you  
How it could be, just keep on lovin' me

Keep on lovin' me and I'll show you the way  
'Cause I'm gonna give you more  
Whatever you ask for, love me

I know you're disappointed  
But what can I do, boy, to make that change?  
This time I'll do what you say to help you believe in me  
Make it better to keep it together, baby, if I

If I give you all I've got, all I have that's in my heart  
Will you remain, remain the same, keep on lovin' me?  
'Cause of all that I wanna do, take the time to show you  
How it could be

Keep on lovin' me and I'll show you the way  
'Cause I'm gonna give you more  
Whatever you ask for, love me

Love is amazing, so amazing  
Especially when from me  
Words can't explain how I feel  
'Cause I'm real, yes, I'm real

Keep on lovin' me  
Keep on lovin' me  
Keep on lovin' me
