### "Let's Go To War"

They call it dirt, I call it fresh, fresh  
I don't think you really wanna go the war but let's let's  
Keep saying no two steps, I'm making moves and that's  
that  
Kicking it, kicking it, now stop and take a breath breath  
(a breath)  
Fellas bad, I hear it like a gavel, stroking like a paddle  
Then tell my competition to start walking like a travel oh  
(a travel)  
'Cause it really don't matter if they really wanna go the  
war, here we at

*[Chorus:]*

If you really wanna, really wanna, go to war  
Let's go (let's go) let's go  
If you really wanna, really wanna, go to war  
Let's go (let's go) let's go

Dancing, shaking, prepping, kicking, posing, chasing,  
are you kidding  
Those are just some basic moves, basic moves for  
crews like you  
Popping, taking, flying, prepping, breaking, freezing,  
that's the tidest  
Victory goes easy for the loose end, pop and breach  
Show them those ideals, copy us to get the title  
We can do this b-boy style, who's the parent and his  
child  
Let me teach you how to dance then next time you  
stand a chance  
I can put you in a daze when we done you'll be amazed

*[Chorus:]*

If you really wanna, really wanna, go to war  
Let's go (let's go) let's go  
If you really wanna, really wanna, go to war  
Let's go (let's go) let's go

Slow down, slow work, slow

Floating, floating, floating, floating, ah  
Floating, floating, floating, floating, ah  
Floating, floating, floating, floating, ah

*[Chorus:]*

If you really wanna, really wanna, go to war  
Let's go (let's go) let's go  
If you really wanna, really wanna, go to war  
Let's go (let's go) let's go

*[Chorus:]*

If you really wanna, really wanna, go to war  
Let's go (let's go) let's go  
If you really wanna, really wanna, go to war  
Let's go (let's go) let's go
