Piano Intro:

Oh, oh

Vrs1:

Wasn't it you who left when I needed you?
Wasn't it you who kept thinking I would be the fool?
Then I heard over you,
So, bad wasn't it you who said you who didn't want my
love,
Now you want my love back

Hook:

Well, it's a little too much, A little too late,
Don't get another chance with the heart that you break,
Gave you my trust, just threw that trust away,
Can't get back in my heart, can't get back in my heart

Vrs2:

Wasn't it me who said that you'd regret that day?
That day you walked out that door and threw my love
away,
Said you'd want me back someday,
So, bad wasn't it you who said you didn't want my love,
Now you want one more chance

Hook:

Well, it's a little too much, A little too late,
Don't get another chance with the heart that you break,
Gave you my trust, just threw that trust away,

Can't get back in my heart, can't get back in my heart

Bridge:

No matter what you do it won't be enough,
For you the door is closed forever on my love,
So, there's no need to waste your time, you ain't
wasting mine no more

Hook:

Cause, it's a little too much, A little too late,
Don't get another chance with the heart that you break,
Gave you my trust, just threw that trust away,

Can't get back in my heart, can't get back in my heart

Well, it's a little too much, A little too late,
Can't get another chance with the heart that you break,
Gave you my trust, just threw that trust away,
Can't get back in my heart, can't get back in my heart

Piano Outro:

Wasn't it you who left when I needed you?
