Sometimes I think it's just a dream
I wait till you laying next to me
You got me fallin' yeah, you got me fallin' yeah.
The things you do and the way they feel
I never knew this type of love...its real
'Cause it seems unreal, just the way it feels.

Chorus:

You are the first thing on my mind babe
Last thing I think at night...babe...I
Love me some you, love me some you.
You make it feel like my first time babe
I'm so thankful that you're mine babe...i
Love me some you, love me some you.

So hard to explain the pleasure and pain
Girl I can't wait till to see your pretty face
You got me fallin' yeah, you got me fallin' yeah.
And when we chill you're so so real
Can't seem to get you off my mind
Never thought I'd be, living out my fantasy
Ohh baby!

Chorus:

You are the first thing on my mind babe
Last thing I'm thinking I babe
Love me some you, love me some you.
You make it feel like my first time babe
I'm so thankful that you're mine babe
Love me some you, love me some you.

I can't get enough of you
All the things that you do to me baby
How I did this to you baby
'Cause you are my drug.
You and me fallin' so deep
I'm pinching myself I can't believe
That you're real and you're here
Looking at me.

[Chorus:]
