"Money Can't Buy My Love"

This is for the grown and sexy, strictly for the grown
and sexy

This is for the grown and sexy, strictly for the grown
and sexy

This is for the grown and sexy, strictly for the grown
and sexy

This is for the grown and sexy, strictly for the grown
and sexy

I don't really think that you get it, I'm a need for you to
come with it

See I'm not materialistic, listen, see I can fly myself to
kepagu or hosbasas change to vesago

I done been all around the world and back (in fact), in
fact you'll never get my love with money

Its like trying to sell a honey bee honey and that's so
ridiculous to think that you can

I swear I hear the same thing each day like somebody
put men on replay

I know most women might give it up but money cant
buy my love

[Chorus:]

Money cant buy my love, I need a man who's more
original

Money cant buy my love, no, money cant buy my love

Money cant buy my love, I need a man who's more
original

Money cant buy my love, no, money cant buy my love

No money, no no, no money, no money, no no, no
money

No money, no no, no money, money can't buy my love

No money, no no, no money, no money, no no, no
money

No money, no no, no money, money can't buy my love

All my independent women, I need you to get up on this
floor

Here we go, here we go, here we go, we gonna step,
step, quarter turn, bring it back

Now turn it in, step, step to the left we glide, pose for a
minute and then we slide
Right to the back to the bank with bank roll, I don't need
your money unlike them stank hoes
I got my own (I got my own), said I'm on my own, right
to the back to the bank with the bank roll
I don't need your money unlike them stank hoes, said I
got my own (I got my own)
Said I'm on my grown and sexy, you'll never get my
love with money
It's like trying to sell a honey bee honey and that's so
ridiculous to think that you can
I swear I hear the same thing everyday like somebody
put men on replay
I know most women might give it up but money cant
buy my love

[Chorus:]

Money cant buy my love, I need a man who's more
original
Money cant buy my love, no, money cant buy my love
Money cant buy my love, I need a man who's more
original
Money cant buy my love, no, money cant buy my love
No money, no no, no money, no money, no no, no
money
No money, no no, no money, money can't buy my love
No money, no no, no money, no money, no no, no
money
No money, no no, no money, money can't buy my love

All my independent women, I need you to get up on this
floor
Here we go, here we go, here we go, we gonna step,
step, quarter turn
Bring it back, now turn it in, step, step to the left we
glide
Pose for a minute, and then we slide, we gonna step,
step, quarter turn
Bring it back, now turn it in, step, step to the left we
glide
Pose for a minute, and then we slide, right to the back
to the bank with bank roll
We don't need your money unlike them stank hoes, we
got our own (we got our own)
Said we on our grown and sexy, you'll never get my
love with money
Its like trying to sell a honey bee honey and that's so
ridiculous to think that you can
Think that all you gotta do is just pay, sweetie that's not
gonna work this ain't eBay

I know some women quick to give it up but money cant
buy my love

I don't need your money 'cause I got my own money
I don't need your money 'cause I got my own money

[Chorus:]

No money, no no, no money, no money, no no, no
money

No money, no no, no money, money can't buy my love

No money, no no, no money, no money, no no, no
money

No money, no no, no money, money can't buy my love
