(Spoken)

See baby...

I know you don't have to share girls

I am more than confident that you won't ever have to
search

These streets for affection.

I got you.

(1, 2, 3, 4)

What kinda of girl, you like?

(I know my looks can be deceiving)

Tell me, am I your type?

(My main goal is to please ya)

What's on the schedule tonight?

(Am I the reason you'll be treatin')

I hope you have an appetite

So tell will you come and spend the night?

My love is like (whoa)

My kiss is like (whoa)

My touch is like (whoa)

My sex is like (whoa)

My ass is like (whoa)

My body's like (whoa)

And you're kissin it so whatcha think of it?

My love is like (whoa)

My kiss is like (whoa)

My touch is like (whoa)

My sex is like (whoa)

My ass is like (whoa)

My body's like (whoa)

And you're kissin it so whatcha think of it?

When will you come through

'Cause I'll be waitin' up right here

Can you bring some Belvedere

So we can pop the cork and cheers

Please have no fear (Have no fear)

I just wanna love ya right

I hope ya have an appetite
