Tell me am I your type
My main goal is to please you

Whats on the schedule tonight
Am I the reason youll be treatin
I hope you have an appetite
So tell me will you come and spend the night

My love is like... woah
My kiss is like... woah

My sex is like... woah

And youre kissin it
So what you think of it

And youre kissin it
So what you think of it

My love is like... woah
My kiss is like... woah
My touch is like... woah
My sex is like... woah
My ass is like... woah
My bodys like... woah
And youre kissin it
So what you think of it
