See, baby
I know you done had your share of girls
I am more than confident
You won't ever have to search any streets for
Affection

I got you
(1, 2, 3, 4)

What kind of girl you like
I know my looks can be deceivin'
Tell me am I your type
My main goal is to please you

What's on the schedule tonight?
Am I the reason you'll be treatin'
I hope you have an appetite
So tell me will you come and spend the night

My love is like, whoa
My kiss is like, whoa
My touch is like, whoa
My sex is like, whoa
My ass is like, whoa
My body's like, whoa
Aint you're kissin' it
So what you think of it
Whoa
