I'm never gonna let you  
never gonna let you  
never gonna let you  
I'm never gonna let you  
never gonna let you  
never gonna let you down

I would lie for you if had to give my life for you,  
Don't be sad or blue cause I'm always here for you boo  
Boy ill do whatever, faithful through all your en devours  
Storm or rainy weather only brings us close together  
Boy I will cry for you anything every dime for you  
Even if its my last hope you know  
Boy I will hurt for you anything in this world for you  
Anything that you need you should know

I'm never gonna let you down  
never gonna let you down, never gonna let you down,  
never see you down, oh no  
I'm never gonna let you down  
never gonna let you down, never gonna let you down,  
never see you down, oh no

Boy you're so damn fine I love it your body and mind  
Never disappointed cause with you I take my time  
Baby see I know just what you need and what you like  
And you're around because I never let you down  
I'll make it hot for you even here on the spot for you  
Anything you can ask hope you know  
My body's hot for you anyplace anytime for you  
Anything that you need you should know

I'm never gonna let you down  
never gonna let you down,  
never gonna let you down, never see you down, oh no  
I'm never gonna let you down  
never gonna let you down,  
never gonna let you down, never see you down, oh no

No, No, No

Don't wanna see you down (see you down, never never

never)  
No  
mmmh, yea  
Don't wanna see you down, boy we can get down,  
Anytime of day or night whatever  
Don't wanna see you down, just wanna lay you down  
Woahh

I'm never gonna let you down  
never gonna let you down(never),  
never gonna let you down, never see you down, oh no  
(I will never see you down)  
I'm never gonna let you down (wanna make you smile)  
never gonna let you down,  
never gonna let you down, never see you down, oh no

I'm never gonna let you down  
never gonna let you down ,  
never gonna let you down, never see you down, oh  
no(ever)  
I'm never gonna let you down (forever)  
never gonna let you down (forever boy) ,  
never gonna let you down, never see you down, oh no
