(Ooh) Can't believe what you done to me, lookat me ,
needing you,
Wanting you, closer
(Ooh) I'm trying and know that Im trying to want you to
stay

(Let's Breath) Im tryna get over it baby, over it baby
(Let's Breath) Come and be with me I need you

No touchin, ain't no touchin if I can not touch on you
No kissin, ain't no kissin if I can not kiss on you
No laying, it aint no laying if I can not lay with you
No doin, it aint no donig if I can not do it wit you

(Ooh) You so far away and it's driving come back to me
baby
(Ooh) I need it, I want it , you got it, don't hold it, you
give it, it's over

(Ooh) I never thought I would be feeling this way but I
messed up, now baby
(Ooh) I'm tring to make it but it ain't that easy I need
you, you need me

(Let's Breath) Im tryna get over it baby, over it baby
(Let's Breath) Come and be with me I need you

No touchin, ain't no touchin if I can not touch on you
No kissin, ain't no kissin if I can not kiss on you
No laying, it aint no laying if I can not lay with you
No doin, it aint no donig if I can not do it wit you

Talk to me (Tell me want you want)
(What you want) It's all up to you
(All up to you) This ain't for no one else
(No one else) Cause It belongs to you

[Chorus to end]
