He came up and approached me  
Gentle and very sexy  
Had a little conversation  
Just enough to impress me  
He looked so delicious  
But i could tell what was on his mind  
I know he wants to taste the Honey that's inside

He's so sexy  
But i gotta resist him  
Can't let him get it  
Cuz he jus wants it for one night  
I need me arider  
Cuz i'm not that kind and  
SO i gotta resist him  
Cuz he just wants it for one night

He's the kind that won't wifey you  
He jus wants it for one night  
He just wants to push up on me  
And leave after just one night

If i was you  
I'd wanna hit this too  
So i can't hate  
On the stunt you're trying to pull  
But i got a couple drinks in my system  
So i'm trying extra hard to resist ya  
But the baby face and the pinky ring  
Ain't help with the situation  
However

I read up on your kind before  
With your smooth swagger you get more  
But you just ran into a walk  
I ain't fallin' for that  
Look over thare that girl may be  
Easier to get at then me  
One for time baby, quite frankly  
I ain't fallin' for that

He's so sexy

But I gotta resist him  
Can't let him get it  
Cause he just wants it for one night  
I need me a rider  
Cause I'm not that kind and  
So I gotta resist him  
Cause he just wants it for one night

He's the kind that won't wifey you  
He just wants it for one night  
He just wants to push up on me  
And leave after just one night

He's the kind that won't wifey you  
He just wants it for one night  
He just wants to push up on me  
And leave after just one night

I read up on your kind before  
With your smooth swagger you get more  
But you just ran into a walk  
I ain't fallin' for that  
Look over there that girl may be  
Easier to get at then me  
One for time baby, quite frankly  
I ain't fallin' for that

He's so sexy  
But I gotta resist him  
Can't let him get it  
'Cause he just wants it for one night  
I need me a rider  
'Cause I'm not that kind and  
So I gotta resist him  
'Cause he just wants it for one night

He's so sexy  
But I gotta resist him  
Can't let him get it  
'Cause he just wants it for one night  
I need me a rider  
'Cause I'm not that kind and  
So I gotta resist him  
'Cause he just wants it for one night

He's the kind that won't wifey you  
He just wants it for one night  
He just wants to push up on me  
And leave after just one night

He's the kind that won't wifey you

He just wants it for one night  
He just wants to push up on me  
And leave after just one night
