Hey, mi musica,

Represent, Represent, Cuba,
Orishas underground de Havana
Represent, Represent, Cuba,
Hey, tu musica

Te quiero Havana,
The rhythm' pumping in my heart,
In La Rosa we dance to the tempo of the love, boy,
Your hip's making a shift,
and you fall deep into its spell,
let your body talk, till voice in you says,
say baby

I'm the one you find deep in that move,
that drives your body and your senses,
I'm the heat inside,
when rhythm and love collide,
Cuba, let me introduce myself
Cubaaaaaaaaaaaaa!

Represent, Represent, Cuba,
Orishas underground de Havana
Represent, Represent, Cuba,
hey, mi musica

Represent, Represent, Cuba,
Orishas underground de Havana
Represent, Represent, Cuba,
hey, tu musica

Ven que te quiero cantar de corazÃ³n asi
La historia de mis raÃ­ces
Rumba son y guaguanco todo mezclado
Pa' que lo bailes tu
Mira, ay quien no baila en la habana

I'm the one you find deep in that move,
that drives your body and your senses,
I'm the heat inside,

when rhythm and love collide,
Cuba, let me introduce myself
Cubaaaaaaaaaaaaa!

Represent, Represent, Cuba,
Orishas underground de Havana
Represent, Represent, Cuba,
Hey, mi musica

Represent, Represent, Cuba,
Orishas underground de Havana
Represent, Represent, Cuba,
Hey, tu musica

Bring down your lies, defence
Feel your innocence
Step into the light,
Baby hold on tight

Let me introduce myself,
Cubaaaaaaaa

Represent, Represent, Cuba,
Orishas Orishas underground de Havana
Represent, Represent, Cuba,
Hey, mi musica

Represent, Represent, Cuba,
Orishas Orishas underground de Havana
Represent, Represent, Cuba,
Hey, tu musica
