It's crazy how the things that bring the most pleasure,
Cause the most pain

When we go, when we know, baby
Just one drop of love in my cup I'm addicted
And he knows he's got me adjust one, adjust one
I don't know if I let you tell the story
This love is killing slowly

Can someone, tell me soul, I can go, just let me go
But it's my comfort, pleasure with pain
Just like a drop that's lost on my vein, ah

Wish I could stop this world from spinning
But I hear it up makes it go round
You know you're no good for me baby
You are the problem and the solution
What do I do? eo, eo, eo, ah, eo, eo, eo, ah
What do I do? eo, eo, eo, ah, eo, eo, eo, ah

My friends ask me all the time why do I stay with
someone who drains the life from me
Cause your ways are just like a drug to a fiend
Without you I feel so incomplete,

Can someone, help me call, with the reality
But there's no hope,
I'm just a girl so deep in love yeah
... I can do, worry to be so

Wish I could stop this world from spinning
But I hear it up makes it go round
You know you're no good for me baby
You are the problem and the solution
What do I do? eo, eo, eo, ah, eo, eo, eo, ah
What do I do? eo, eo, eo, ah, eo, eo, eo, ah

Boy I tried everything to stop you from hurting me
Ain't nothing setting me free, ooooh
Wish I could stop this world from spinning
But I hear it up makes it go round
You know you're no good for me baby

You are the problem and the solution
Wish I could stop this world from spinning
But I hear it up makes it go round
You know you're no good for me baby
You are the problem and the solution
So tell me tell me what do I do?
