Uh uh What uh  
Who me  
Let's ride and shake  
Uh uh yeah  
Let's ride and shake  
Now you know you're looking good  
Lookin damn fly  
Can't help it boo, but notice you from the corner of my  
eye  
Yeah I got a man at home  
But the conversation's old  
He think he slick ain't doing right  
So now he's got to go  
I'll be parked up at the Shell at a quarter past twelve  
Creeping in my Navi parked over to the left  
Tell me what'cha gonna do cause I'm 'bout to make  
that move  
Say yes without the questions  
Cause boy I'm ready to  
Chorus: (2xs)  
Gon ride ride ride  
Shake shake shake  
You and me one on one  
Without a break  
We gonna ride ride ride  
Shake shake shake  
We can get together baby starting today

Now I know that you want me  
Just as much as I want you  
You ain't got to lie you ain't go to front  
So why don't ya tell the truth  
As of now we send the past  
Not enough time for being sad  
I'm a sexy shaker girl move on  
And don't you move to fast  
See you know how the game is played  
If it was you, you'd put her through the same thing  
Are you with that it is wrong  
Now can we please get it on  
You're the only that knows can we get down now  
Chorus 5xs

Turn off the car lights  
And hold me tight  
When we touch when we rub  
When we kiss when we hug  
Show me love till I can't get enough  
Do you understand feel my plan  
It's all about you forget my man  
Chorus
