Boy, I know I don't deserve you 'cause I couldn't afford
your love
All you asked me for was time but I couldn't give you
why
When you asked me for my heart, I was busy playin' the
card
See I had to be the one that was controllin' the game
So busy tryin' to be the ace I couldn't see my king
I didn't realize until it was too late, I was losing
everythin'

Now I'm lookin' at you with this dumb look on my face
Wishin' I could say I'm sorry, wishin' I could make you
stay
'Cause I messed up I know, I was fucked up, I know
Sorry ain't gonna change a damn thing
Sorry ain't gonna change a thing

Now I'm lookin' at you with this dumb look on my face
Wishin' I could say I'm sorry, wishin' I could make you
stay
'Cause I messed up I know, I was fucked up I know
Sorry ain't gonna change a damn thing
(Damn thing)

And I heard you found someone know
I guess that's what I get for gettin' hooked upon
Actin' like you don't exist and it cuts guest like a knife
I thought one day you be the groom, I be the bride

And what I wouldn't give to wake up to you one more
time
(One more)
Instead I'm pullin' pictures out to help me ease my
mind but for now
(For now)
I guess all I can say is I'm sorry
(I'm sorry)
For lettin' you get away from me

Now I'm lookin' at you with this dumb look on my face
Wishin' I could say I'm sorry, wishin' I could make you
stay
'Cause I messed up I know, I was fucked up, I know
Sorry ain't gonna change a damn thing
Sorry ain't gonna change a thing

Now I'm lookin' at you with this dumb look on my face
Wishin' I could say I'm sorry, wishin' I could make you
stay
'Cause I messed up I know, I was fucked up, I know
Sorry ain't gonna change a damn thing
(Damn thing)

And I know
(I know)
Sorry ain't gonna make it right
(Sorry ain't gonna make it right)
And I know
(Ooh babe)
Sorry ain't gonna change your mind
(Wish I could get one more chance)
And I know, sorry ain't gonna make up the love we once
had
And I know, sorry ain't gonna bring you back
(It ain't gonna bring you back)

Now I'm lookin' at you with this dumb look on my face
Wishin' I could say I'm sorry, wishin' I could make you
stay
'Cause I messed up I know, I was fucked up, I know
Sorry ain't gonna change a damn thing
Sorry ain't gonna change a thing

Now I'm lookin' at you with this dumb look on my face
