I don't really mind takin' out all of the trash  
If I gotta change the tire outside in the pourin rain  
Nothin' but a thang I'm gonna  
Gonna provide go and get that bread bring it home do  
what I gotta  
And I never think twice about it (No)

'Cause I'm ?? but your ridah  
When you need me to  
Steady grindn out gettin dirty  
Ain't scared to break a nail or two  
Always on the hustle tryin to get it  
Do what a man would do  
But sometimes I gotta remind myself

I'm still a woman  
Still need a little love  
Still need a mans touch  
As sensitive enough to make me feel like a woman  
Sometimes I need a shoulder  
Someone to take me over  
Maybe stop and send me roses  
'Cause I'm still a woman  
And I wouldn't have it any other way

Put on a smile every single time I be goin' through  
some drama  
Brush it off then I head to the gym hit on a bag for  
about an hour  
They see these lips (My thighs) these hips (My eyes)  
these (Lies?)  
Under estimating you from the jump that's why I never  
let 'em see me cry

'Cause I'm a ?? but your ridah  
When you need me to  
Steady grindn out gettin dirty  
Ain't scared to break a nail or two  
Always on the hustle tryin to get it (Get it)  
Do what a man would do  
But sometimes I gotta remind myself

I'm still a woman

Still need a little love (Love)  
Still need a mans touch (Touch)  
As sensitive enough  
To make me feel like a woman  
Sometimes I need a shoulder  
Someone to take me over  
Maybe stop and send me roses  
'Cause I'm still a woman  
And I wouldn't have it any other way (No no noo)

And I wouldn't have it any other way  
No no no

Maybe I'm just like my mother  
She never takes out the time ??  
Maybe I deserve it all yeah  
A day at the spa get a massage and a bubble bath

I'm still a woman  
Still need a little love (Still need a little love)  
Still need a mans touch (Still need a mans touch)  
As sensitive enough (Enough)  
To make me feel like a woman  
Sometimes I need a shoulder (Sometimes I need a  
shoulder)  
Someone to take me over (Someone to take me over)  
Maybe stop and send me roses (Roses)  
'Cause I'm still a woman

Still need a little love (Still need a little love)  
Still need a mans touch (Still need a mans touch)  
As sensitive enough (Enough)  
To make me feel like a woman  
Sometimes I need a shoulder (Sometimes I need a  
shoulder)  
Someone to take me over (Someone to take me over)  
Maybe stop and send me roses (Roses)  
'Cause I'm still a woman  
Woman  
That's what I am, that's what I am
