Ooh Oh, Ooh oh, Ooh Ooooooh woah x2

Last February, February, I remember (I remember)
Like it was yesterday (yeah)
We used to go out and hang (yeah)
It was incredible, we were so deep in love
Our whole life we planned baby (yeah)
And as the time passed by we (both we lost our way)
We took a ride at it and we
(always used to stay, Feels like theres no way out)
Can we try and mend the hurt, lets put our gears in
reverse
And can we go back

Baby can we go back to the days when we were good
together
Back to the good days, Back to our old ways
Baby can we go back to the days before the damage
was done
(lets go back before the bad memories yeah)
lets take it back take it back yeah yeah
lets take it back take it back yeah yeah
Baby can we go back to the days before we made a
mess (can we)
Lets take it back take it back Baby lets take it back yeah

Two months ago, months ago, I remember (I
remember)
When things all started to change (Yeah Yeah)
I thought we needed space
You moved to your own place
We pushed each other away (yeah)
We've got to work things out we
(Before its much to late)
Cause the love still lives here
(Despite all our mistakes, Feels like theres no way out)
Can we try and mend the hurt lets put our gears in
reverse
And can we go back

Baby can we go back to the days when we were good
together

Back to the good days, Back to our old ways
Baby can we go back to the days before the damage
was done
lets go back before the bad memories yeah
lets take it back take it back yeah yeah
lets take it back take it back yeah yeah
Baby can we go back to the days before we made a
mess (can we)
Lets take it back take it back Baby lets take it back yeah

We've been thru too much (we both)
just to quit now (now)
and if we get thru this we'll perish no doubt(no doubt)
With me and you together can do anything
lets do it right this time
and be each others everything
we'll work it out we'll work it out
Baby its worth a try (Can we go)

Baby can we go back to the days when we were good
together
Back to the good days, Back to our old ways
Baby can we go back to the days before the damage
was done
lets go back before the bad memories yeah
lets take it back take it back yeah yeah
lets take it back take it back yeah yeah
Baby can we go back to the days before we made a
mess
Lets take it back take it back Baby lets take it back yeah
