Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

The phone rings once around two  
No need to pick it up cause it's you  
Trying to disguise your voice like someone else  
You're playing yourself  
It ain't my fault he ain't with you  
Yeah you got my number girl  
But what can you do?  
Now that he found someone else  
It sure ain't you  
Why you actin' like a fool?

1 - Say I ain't got no time for the telephone games  
Calling every night thinking he's your man  
When he's with me and not with you  
Sorry girl what can you do?  
Say I ain't got no time for the telephone games  
Calling every night hanging up on me

And now you're man he ain't with you  
Sorry girl what can you do?

Your body gon' lick  
You can't compete  
And he try-na see nobody but me  
How you gonna play the game?  
You don't know the rules  
Either way you're gonna lose  
See there is something you don't understand  
I'm down on the court  
You're up there in the stands  
You're trying to watch my every move  
Trying to play my hand  
Don't you call my house again!

Repeat 1

2 - I ain't got no time  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah

Repeat 2

Don't call my house again, no

Repeat 1 till end
