Boy, ever since I met you, it's like
It's like I feel lost... but found

Chorus

TAKE ME TO THE HILLS WHERE THE SUN GOES DOWN
I JUST WANT TO FEEL LIKE AN ANGEL
MAKE ME SAY OH, OH, OH
'CAUSE I JUST WANT TO FEEL ALL OF YOUR NATURE

Verse 1

Just wanna say I'm thankful that you're here
And now that all the roads are clear... huh
Feel free to introduce me to new heights (let's get
away)
Away from the action, bring me peace of mind

Pre-Chorus

Take me to another place boy
Guide me, show me another way boy
Make me believe I can fly

Chorus

TAKE ME TO THE HILLS WHERE THE SUN GOES DOWN
I JUST WANT TO FEEL LIKE AN ANGEL
MAKE ME SAY OH, OH, OH

'CAUSE I JUST WANT TO FEEL ALL OF YOUR NATURE

Verse 2

I don't know how I got here, from here
A final destination so unreal, it's true
2 opposites fell right into frame
A picture perfect sky as we accelerate

Pre Chorus

Chorus

Bridge

(Take me the mountain top) Don't u know I had a dream
(Look at the stars) Float in your arms yeah
Boy I believe in you
(Shift me to a quiet place) Receive me

(where we can't be found) Above the city lights
Make me believe I can fly

Chorus
