Yeah, Mya  
Red zone, what? What?

It's after midnight  
And she's on your phone  
Saying come over  
'Cause she's all alone

I could tell it was your ex  
By your tone  
Why is she calling now  
After so long?

Now what is that she wants?  
Tell me what is that she needs?  
Did she hear about the brand new Benz  
That you just bought for me?

'Cause y'all didn't have no kids  
Didn't shared no mutual friends  
And you told me that she turned trick  
When y'all broke up in '96

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

There's no need to  
Reminisce about the past  
Obviously 'cause that shit  
Did not last

I know how a woman  
Will try to game you  
So don't get caught up  
Because baby, you'll lose

Now what is that she wants?  
Tell me what is that she needs?  
Did she hear about the brand new Benz  
That you just bought for me?

'Cause y'all didn't have no kids  
Didn't shared no mutual friends  
And you told me that she turned trick  
When y'all broke up in '96

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

Why she on the phone  
In the middle of the night?  
Tell me why she in your life?  
Trying to get what's mine

She don't know me  
She's about to know me  
I'm in your life  
That's how its gonna be

I've seen the broke ho  
She ain't even all that  
So if you want her back  
You can take her back

'Cause game recognize game  
I could do the same thing  
Get it right, change  
Or take back this ring

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do

When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

What'cha gonna do  
When you can't say no  
When her feelings start to show  
Boy I really need to know?

And how you gonna act?  
How you gonna handle that?  
What'cha gonna do  
When she wants you back?

Yo, playboy right now, uh  
Uh, Mya, yeah, Mya  
Red Zone, what? What?
