*[Intro]*

Ladies, tell us, are ya ready  
Well, come on, yeah

Eenie, meenie, miney moe  
Which one of y'all wanna go with me  
To party, on friday, where it be, it's crazy  
Get funny, spend money, so love, lean with me  
You will see that I'm only tryin' to do my thing  
Ain't tryin' to waste no time you see  
So, whatcha sayin' to me

*[Chorus]*

Hey, hey, whatcha say  
(Whatcha say, whatcha say)  
Hey, hey, whatcha say  
(Do you want to party with me, yeah)  
Hey, hey, whatcha say  
(Hey yeah)  
Hey, hey, whatcha say  
(Whatcha say, whatcha say)

Everybody here, everybody there  
Throw your hands in the air  
(Throw your hands up, throw your hands up)  
Keep it tight, all night, alright right, ok now  
I'm gonna show ya how to get down  
(Get down get down, get down get down)  
Ain't no half steppin'  
People in this place come on, now  
Tell me whatcha say

*[Chorus]*

Tonight is the night  
When we make it so tight  
I'll get down 'till the light  
To all the girls and the boys  
Now you make some noise  
Don't be afraid to join  
Oh, sing it

*[Chorus 2xs]*
