You calling me a hoe, cause i'm trying to grt my freak
on
But chick we're in a club... what the heck did u expect.
CHICK
I've worked to freakin' hard
To let a hater bring me down,down, down, down, down
We aint sweating you
what goes around comes back around
You see me in the club
rollin' your eyes- whatever chick
Chicks like you, theres no love- whatever
Preying on me, and slapping yo' neck
whatever chick
Cuz all my girls in the east and all my girls in the west
say: whatever chick
You see us in the club
rollin' your eyes-Whatever chick
Chicks like you, theres no love-Whatever
you calling me a hoe, u wanna get jacked?-Whateva
Chick
cuz all my girls in the east and all the girls in the west
Say whatever Chick
Im gonna dance x2
Im gonna work
work it all night long
Dont give a damn
Bring on the boys
We can keep the party going till the break of dawn
You see me in the club, rollin' your eyes whatever chick
Chicks like you, theres no love-Whatever
Preying on me, yo slappin yo neck
whatever chick
To all my girls in the east to all the girls in the west
Whatever Chick
Whatever
Say whatever chick
Its almost time to go, and your eyes are steady put in
But im sill on the floor
Yo what the heck did you expect
Chick
Been dancing all night long, Djs playing my favourite
song

And if you stole my night
Then we can take this shit outside, tonight
Chick
You see me in the club
Only your eyes- whatever chick
Chicks like you, theres no love- whatever
Preying on me, its not on you nick
To all my girls in the east to the girls in the west
You see us in the club
Only your eyes-Whatever chick
Chicks like you, theres no love-Whate
