Heyy!

Chenelle gotta story for ya'll!

(haha) Here with my girl Mya!

Hey love tell em...

(Mya)(chorus)

ohh wish you were here with me

dancing in the summer breeze

your the only thing im missing

underneath the sun, all i need is your love

That's why I wish you were here with me

(ohh ohh) wish you were here with me

(ohh Ohh) wish you were here with me

(ohh ohh) wish you were here with me

(ohh ohh) wish you were here with me

(Mya Verse:)

Whatever i want, you always got me.

Whenever i want it , you give good love and care.

It might seem selfish, but i can't help it.

What I'd give just to have you here.

Like a cherry on top of a hot fudge sundae,

Things would be much better, if you were here with me.

But your smile is like the sun, wash away my rain.

Why ya have to be so far away? (ayyyeee)

(chorus:)

ohh wish you were here with me

dancing in the summer breeze

your the only thing im missing

underneath the sun, all i need is your love

That's why I wish you were here with me

(ohh ohh) wish you were here with me

(ohh Ohh) wish you were here with me

(ohh ohh) wish you were here with me

(ohh ohh) wish you were here with me

(2 verse:)

Dj playing all of my favorites,

as the waves crash upon the shore.

Everyone's dancin', laughin and romancin',

All that's missin is the one i adore.

Like a cherry on top of a hot fudge sundae,

life would be much better if you were here with me.  
But your smile is like the sun, wash away my care.  
what i'd give just to have you near. (heerreee)
