Hey, you, nigga
Tell me what the issue?
All up in the booty like tissue
Could it be her pussy so vicious
Make you so suspicious

I been known to beat them bitches
With those switches
If you wanna roll with those sissies
You can't roll with Missy

I'ma kiss you on your cookie
Show these pussies I'm the rookie
Sleep while your homeboy, book me
Is you mad 'cause I'm took and got you shaken?

You think you slick
Tried to play a dirty trick
Upon this heart of mine
You thought that I was blind

You took your pick
Between this other girl and me
She was a friend of mine
I got your ass this time

Don't you come her talking that old shit to me
(To me)
I ain't the one you said
Tears in your eyes won't shed the lies you told to me
(To me)
So get up, out my place

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied

Bye, bye
You shouldn't've had that trick on the side

You think you bad
Lost the only love you had
Looking for someone
Who you could fuck for fun?
(Tricky, tricky, tricky)

Wanna say it to me
If what you wanna do
Is play these tricks on me
Then keep your hoe ass there
(You can stay right there)

Don't you come her talking that old shit to me
(To me)
I ain't the one you said
Tears in your eyes won't shed the lies you told to me
(To me)
So get up, out my place

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied
Bye, bye
You shouldn't've had that trick on the side

Shouldn't got, shouldn't got that trick on the side
I wouldn't of had, I wouldn't of had to say goodbye

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied
Bye, bye
You shouldn't've had that trick on the side

All you had to do was ask me
If I was nasty

Lasting
Won't quit until the sun set

Read my lips
I'd like to know who that bitch in the flick is
Who you cheeing with, IÃ¡ÂŠÂ! About to flip
Know what I'd do if I drink a brew
Uhh, Miller boo

Kick 1, 2 Kung Fu
You and your boo
The worst thing you could ever do
Is have a chick on the side, right?
True
(True, true)

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied
Bye, bye
You shouldn't've had that trick on the side

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied
Bye, bye
You shouldn't've had that trick on the side

Bye
(It ain't a, it ain't a)
Bye bye
(You can cry all you want to)
Bye
(I caught you)

You coulda stopped by, you got me hurting inside
You shoulda never lied
Bye, bye
You shouldn't've had that trick on the side
