Iâ€™m gonna take a trip  
In that good old gospel ship  
And I am going far beyond the sky  
And Iâ€™m gonna shout and sing  
Until all the heavens ring  
When I am bidding this ole world goodbye

I have good news to bring  
And that is why I sing  
All of my joy with you Iâ€™d like to share  
And when my ship comes in  
Iâ€™m gonna leave this world of sin  
Iâ€™m go sailing through the air

Iâ€™m gonna take a trip  
In that good old gospel ship  
And I am going far beyond the sky  
And Iâ€™m gonna shout and sing  
Until all the heavens ring  
When I am bidding this ole world goodbye (good bye,  
good bye)

Iâ€™m gonna take a trip  
In that good old gospel ship  
And I am going far beyond the sky  
And Iâ€™m gonna shout and sing (Shout and sing)  
Until all the heavens ring (all the heavens ring)  
When I am bidding this ole world goodbye

I can scarcely wait  
You know I donâ€™t want to be late  
I wanna spend my time in prayer  
Yes and when my ship comes in  
I wanna leave this world of sin  
And go sailing through the air

Iâ€™m gonna take a trip (Oh Yeah)  
In that good old gospel ship  
And I am going far beyond the sky (say goodbye to the  
world)  
And Iâ€™m gonna shout and sing  
Until all the heavens ring

When I am bidding this ole world goodbye (good bye,  
Good bye)  
Good bye Yall

Iâ€™m gonna take a trip (gonna take a trip)  
In that good old gospel ship  
And I am going far beyond the sky  
And Iâ€™m gonna shout and sing  
Until all the heavens ring  
When I am bidding this ole world goodbye (good bye,  
Good bye)  
Good bye Yall  
Aw donâ€™t you wanna go with me  
Good good bye
