Traveling on
This straight and narrow road
I must press on
To obtain my goal
He guides my steps
And keeps me on the straight in line
The crown of life
Will soon one day be mine

So sings my soul
And lifts my voice
He makes me glad
I will rejoice
So sings my soul
And lifts my voice
He makes me glad
I will, I will, I will rejoice

Sometimes my eyes
Are too weak to see
Sometimes my ears
Do not hear Him speak
Oh but if I fall
He will stand me up If I just call
He will lift me with His hand

So sings my soul
And lifts my voice
He makes me glad
I will rejoice
So sings my soul
And lifts my voice
He makes me glad
I will, I will, I will rejoice
