Beyond the walls of ancient tombs  
Slaves of hell await  
Orgies of the dying souls  
Ascend from hell to reign  
Rape the virgin princess  
Curse her holy Lord  
Taint the alter with the blood  
Of Satan's lifeless whore

6669  
Copulation with a corpse  
Demons rape her rotting hole  
Fucked and left to die

Virgin bitch of Christian faith  
Serves as Satan's slut  
Sorcerer of Satan's rule  
Stalks the night in lust  
Seduction of the holy father  
Casting Satan's spell  
Tortured and then crucified  
His soul shall rot in hell
