Listen, you fools!  
This is the tale of Satan's tool  
Neglected to the point of grief  
And I need relief!

Left hand blistered, right hand raw  
I'm coming up to take your ma  
Mother Mary that is, and she'll serve my need  
Trained at the whip to drink my seed

Demons lined up one by one  
To hose her down in flaming cum

Her head is bobbing fast and faster  
Grateful as she blows the master  
His eyes roll back, compulsive gak  
Behold, the king has blown a nut  
Deflated, satisfied  
The master's cock has been sucked dry

Your mother sucks cocks in hell!  
Your mother sucks cocks in hell!  
Your mother sucks cocks in hell!  
Your mother sucks cocks in hell!

Her head is bobbing fast and faster  
Grateful as she blows the master  
His eyes roll back, compulsive gak  
And Jesus looks on as your mother sucks cocks in hell!

Left hand blistered, right hand raw  
I'm coming up to take your ma  
Mother Mary that is, and she'll serve my need  
Trained at the whip to drink my seed

Her head is bobbing fast and faster  
Grateful as she blows the master  
His eyes roll back, compulsive gak  
And your mommy looks on as Jesus sucks cocks in hell!

Jesus fucking Christ, sucking cocks in hell  
Jesus fucking Christ, sucking cocks in hell

Jesus fucking Christ, sucking cocks in hell  
Jesus fucking Christ, sucking cocks in hell
