And i just wanna be with you lady

Verse 1:

Ma, ya know i've been in ma fair share of women  
Been hand to hand in ma fair share wats in it.  
Then whiped your tears off your eyes.  
made you cry one to many times.  
No lie ma thats a given  
Knowin lettin you go's my decision  
I realize now without you i'd be missin  
Some part of my heart, the light in the dark  
Since the first day i saw you in the park  
I was runnin from the narcs  
Took my stash and hid it in the back yard  
Threw it back at me, like man you think you so hard  
And i know you front but you know da boy dough hard  
Check out the rec  
at home as soon as you get

Get your own little whip  
A drop top Six  
I flew you out to Mex.  
To make the connect  
When the feds hit  
You plead the fifth you sat there alon ma i'll never  
forget,(ya know.come home)

Chorus:

You didn't want me when you had my love  
Gave you all i had and so much more  
Thought you'd be the one to make it last  
Now You're cryin cause your in my past

And i don't know if i can go back(Don't Go) 2X  
And i don't know if i can go back (nahh)  
So hard  
So hard  
And i don't know if i can go back(to You) 2X

And i don't know if i can go back. its so hard to leave  
you in the past

Verse 2:

Broke hearted though we bought it for a minute  
Tellin you to skate, a mistake i admit it  
But you goin, its so wrong and i'm so grown  
Now come on home and i'ma hold you down

Ya know i'd shut out wateva you could do  
But these streets is cold enough to turn a man blue  
It's just me and you  
Get money like a full brick  
Attached at the hip like ma full clip

And walked by this shit  
We on a stop it aint that long, shit  
Bet you know the kid  
And you know i gotta get paid  
But i'm from the hood  
So i gotta use the hood way  
Gotta check the block like the stock trade  
When i die versa vi  
Turn that one into five  
Lusted at the things.  
more green, more ice  
meanwhile i put you to the side  
I know that aint right,  
Gimme one more chance and ima make it worth while

Chorus:

You didn't want me when you had my love  
Gave you all i had and so much more  
Thought you'd be the one to make it last  
Now You're cryin cause your in my past

And i don't know if i can go back(Don't Go) 2X  
And i don't know if i can go back (nahh)  
So hard  
So hard  
i don't know if i can go back(to You) 2X
