I know that my eyes could only see as far as you
But you broke my heart and went away
I know that I can't say no to all the little things you do
But I'm fallin deeper everyday

Fallin without you I'm fallin
With the memories you took away from me

Bye Bye my love
I wish I didn't have to cry
I wish I could say goodbye
But I'm afraid I won't
Bye Bye my love
I wish you'd come back to stay
I wish you could find a way
But I'm afraid you won't
Bye Bye my love

I know I would be a fool if I'd ask you to stay
But all I do is think of you
I know that you try to tell me
That your love has gone away
But my love is strong enough for two

Fallin without you I'm fallin
With the memories you took away from me

Bye Bye my love

I wish I didn't have to cry
I wish I could say goodbye
But I'm afraid I won't
Bye Bye my love
I wish you'd come back to stay
I wish you could find a way
But I'm afraid you won't
Bye Bye my love

I know that my eeyes could only see as far as you
Fallin without you I'm fallin
With the memory you took away form me

(Bye Bye my love; Bye Bye my love) [2x]
I'm so afraid that I won't

(Bye Bye my love; Bye Bye my love) [2x]
I'm so afraid that you won't

Bye Bye my love
I wish I didn't have to cry
I wish I could say goodbye
But I'm afraid I won't
Bye Bye my love
I wish you'd come back to stay
I wish you could find a way
But I'm afraid you won't
Bye Bye my love
