I'm your basic, average girl,
and I'm here to save the world,
you cant stop me cause I'm Kim-Poss-i-ble
There is nothing I cnt do
when danger calls just know that I am on my way.
It doesnt matter where or when there's trouble if you
just call my name,

kimpossible

call me beep me if you want to reach me, if you wanna
page me its ok
I just cant wait until I hear my cellphone ring
doesnt matter if its day or night everything is gonna be
alright
(so why dont you call me beep me)
call me beep me if you wanna reach me

doesnt matter where doesnt matter when

(IDK the rest cuz im dumb LOL)
