I can remember your words
And I can feel how it burned to know
That you were only playin
How I still kept on tryin
I tried to forget those days alone
For you I would be waiting

I know you think that I still cry (No No No)
I know you think that it was my mistake (No No No)
(Uh uh uh uh uh uh (No no no no no no-aahh)
Sometimes I wonder if I could (no no no)
Sometimes I wonder if I could forgive (no no no)
uh uh uh uh uh uh

What you say, where are you at?
Now your new 's up and left
You give me sweet sweet talkin, just like that
Now what you say, where you at?
Thinking you can get me back
So close your wide eyes baby here's the facts
Oh baby where are you at?

Last night you had a new game
You came by to say you'll change for me
So you must think I'm crazy
Now you can go on dreamin
Because I won't ever breathe your name
No ifs or ands about it

I know you think that I still cry (No No No)
I know you think that it was my mistake (No No No)
(Uh uh uh uh uh uh (No no no no no no-aahh)
Sometimes I wonder if I could (no no no)
Sometimes I wonder if I could forgive (no no no)
uh uh uh uh uh uh

What you say, where you at?
Now your new 's up and left
You give me sweet sweet talkin, just like that
Now what you say, where you at?
Thinking you can get me back
So close your wide eyes baby here's the facts

Oh baby where are you at?
Yeah, I wonder what
I wonder what you say to me
I wonder where are you at?

I know you think that I still cry (No No No)
I know you think that it was my mistake (No No No)
(Uh uh uh uh uh uh (No no no no no no-aahh)
Sometimes I wonder if I could (no no no)
Sometimes I wonder if I could forgive (no no no)
uh uh uh uh uh uh

What you say, where are you at?
Now your new 's up and left
You give me sweet sweet talkin, just like that
Now what you say, where you are at?
Thinking you can get me back
So close your wide eyes baby here's the facts
Oh baby where are you at?

What you say, where you at?
