My eyes grow darker  
Can barely see your face  
Yesterday I tried to belong  
You know I won't stay that long

In a time of lust and liars  
I learned to trust my own desires  
Touch me, don't be ashamed  
I just don't know how to play that game

In pride and grace, we rise with the sun  
With the morning light, we just run and run  
The good old days, that imaginary place  
With the rising sun, we forget and we embrace

My eyes grow darker, guide me now  
Can barely see your face, just lead the way  
My eyes grow darker, guide me now  
Can barely see your face, just lead the way

My days grow longer  
Can barely find my trace  
One more day I try to be strong  
You know I won't last that long

For a time I feed the fires  
I search and seek while time expires  
Hold me, I'm so afraid  
I just don't know how to keep this flame

In pride and grace, we rise with the sun  
With the morning light, we just run and run  
The good old days, that imaginary place  
With the rising sun, we forget and we embrace

My eyes grow darker, guide me now  
Can barely see your face, just lead the way  
My eyes grow darker, guide me now  
Can barely see your face, just lead the way

My eyes grow darker, guide me now  
Can barely see your face, just lead the way

My eyes grow darker, guide me now  
Can barely see your face, just lead the way
