drones behold the life that was given  
be aware of the choices within your grasp  
oppose the temptress who leaves you dry  
redeem what was lost unleash your will  
hail the ones who take nothing for granted  
praise the moments of the giving day  
worship the sensation that passes by forever  
conquer yourself for the kingdom of fury  
I want to stand in the eye of the storm  
I want to get struck by lightning  
I want our house to be set on fire  
for us to walk without shelter  
I seek no rest I seek no shelter  
where weak dwell in the shadow of decay  
I want to walk forever with the storm  
until I become the prey anyway
