I think you are not my friend
I think you're not on my side
I think I was far too blind
I think I made a mistake

You try to sneak behind my back
But trust can not be stolen
Friendship must be earned
And affection's not for sale

I know you want respect
But contempt is all you get from me
We are forever unforgiven

You call me a traitor
But you are a snake
An eye for an eye
And a tooth for a tooth

I think you are in too deep
I think you're not what you seem
I think I have been a fool
I think I should take more care

You try to sneak behind my back
But trust can not be stolen
Friendship must be earned
And affection's not for sale

I know you want respect
But contempt is all you get from me
We are forever unforgiven

You call me a traitor
But you are a snake
An eye for an eye
And a tooth for a tooth
