We want revolution

Kill your television
Steal the satellites
Download all the codes
Catch the public eye

Shout your manifesto
Bring your megaphone
Stay below the radar
Join the underground

I wanna car, skid and crash
Into the brave new world
I wanna ride, ride

We want revolution
We want revolution
Constant evolution
Constant evolution

Start your engines, blow your fuses
Burn the bridges for the future
This is our solution
This is our solution

We want revolution
We want revolution
Constant evolution
Constant evolution

Start your engines, blow your fuses
Burn the bridges for the future
This is our solution

We want revolution
We want revolution
We want revolution

Time
Time

Time for retribution
Bring your target down
Beat the jungle drums
Flaunt your decadence

Underground Resistance
Keeps you entertained
Feed your hungry mind
Shape the things to come

I wanna car, skid and crash
Into the brave new world
I wanna ride, ride, I wanna ride, ride

We want revolution
