Death machine  
Dancing with the devil  
Death machine  
Chaos spawn upon the earth

Metal beast  
Let the world in ruins  
Acid injection  
Humans decomposing

Steel aggression  
Violation over ruling  
Killing is not only a  
Human desire

Spread your wings  
Expose yourself  
You are to be dead (anyway)

Infecting brains  
Be curse the human race  
Machinery versus man

Chromium penetration  
Zyklon inhalation  
Organic ejaculation  
Chaos supremacy

Feed the breed created  
For the fall of man shall come  
All rise and die?
