Are you ready?  
Put your hands together, put your hands together  
Put your hands together, put your hands together  
Are you ready? Here we go

When I think of the goodness of Jesus  
And all He's done for me  
My soul cries out hallelujah  
Thank God for saving me

When I think of the goodness of Jesus  
And all He's done for me  
My soul cries out hallelujah  
Thank God for saving me

Jesus saved me, Jesus changed me  
Washed me in the cleansing blood of the Lamb  
Jesus filled me, sanctified me  
Right now I am free from sin  
To the utmost Jesus saves  
To the utmost Jesus saves

When I think of the goodness of Jesus  
And all He's done for me  
My soul cries out hallelujah  
Thank God for saving me

When I think of the goodness of Jesus  
And all He's done for me  
My soul cries out hallelujah  
Thank God for saving me

Jesus saved me, Jesus changed me  
Washed me in the cleansing blood of the Lamb  
Jesus filled me, sanctified me  
Right now I am free from sin  
To the utmost Jesus saves  
To the utmost Jesus saves

Hey, I was sinking in the world of sin  
Had no joy, no peace within  
Everyday of my life was filled with sadness

And I thought my life would soon come to an end

But then one day I fell down on my knees and prayed  
I cried out Lord please take the pain away  
And I gave the Lord my heart right there that very hour  
And He delivered me, now I am standing here with  
power

Jesus saved me, Jesus changed me  
Washed me in the cleansing blood of the Lamb  
Jesus filled me, sanctified me  
Right now I am free from sin

Jesus saved me, Jesus changed me  
Washed me in the cleansing blood of the Lamb  
Jesus filled me, sanctified me  
Right now I am free from sin  
To the utmost Jesus saves  
To the utmost Jesus saves

Saved, oh yes I am, I am saved  
Saved, oh yes I am, I am saved  
I used to be lost, but now I'm found  
Yes, I'm standing on solid ground  
I used be blind, but now I see  
I used to be shackled, but now I'm free

Saved, oh yes I am, I am saved  
Saved, oh yes I am, I am saved  
I used to be lost, but now I'm found  
Yes, I'm standing on solid ground  
I used be blind, but now I see  
I used to be shackled but now I'm free

I used to be, used to be, used to be lost  
I used to be, used to be, used to be lost  
But now I'm found, but now I'm found  
But now I'm found

To the utmost Jesus saves  
To the utmost Jesus saves
