In the street I saw you over there
I looked at you you turned away
I kept looking you went away
I ran after you you disappear
(Is this magic)

Is this magic
I think I'm so sick
Of loving you
I don't know you
But I fell for you
I know it's true

In my dream I saw you in a way
I will never ever ever forget
I kept dreaming didn't want it to end
It was the joy I never had
(Is this magic)

Is this magic
I think I'm so sick
Of loving you
I don't know you
But I fell for you
I know it's true

Oh I saw you in the street
Oh I saw you in my dream
And I realized that this was all magic

In the street you went away
I ran after you you disappear
(Is this magic)

Is this magic
I think I'm so sick
Of loving you
I don't know you
But I fell for you
I know it's true
(Is this magic)
