There is a place where I can run away
There is a place where I can stay
Away from a mystery that is running behind me
Oh oh oh yeahhhhhh mystery
Mysterious places
Mysterious dances
Mysterious mystery
Mysterious things that are haunting mysterious me
Oh oh oh oh oh oh oh oh oh oh o yeah

Mysterys are running behind me
Mysterys are dancing in front of me
Mysterious things are happining everyday
HELP ME PLEASE!

(Repeat 1st verse three times)
