He is the father of all sin  
Of the highest desolation  
Nevertheless the people long to embrace him  
He will free the world of the second coming of Christ

2000 years of rulership are enough  
His servants will experience the joys of hell  
He is the God of Melancholy  
The divinity of loneliness

The purity of evil he is  
The paradise of pain he will bring  
Hell does not revel in the bowels of the earth  
It is the sky of satan's ecstasy

Image of the antichrist  
Image of the beast  
Image of the antichrist  
Image of the unholyness

"And it shall come to pass that in the end days  
The beast shall reign unhundred score and thirty  
Days and nights

And the faithful shall cry unto the lord:  
Wherefore art thou in the day of evil?

And the lord shall hear their prayers  
And out of the angel isle he shall bring fourth a  
deliever

A holy lamb of god who shall do battle with the beast  
But not destroy him!!"

Born of a jackal his son descends  
To suffocate the world of morality  
To prevent the resurrection of the Nazarene  
To establish lust and agony
