Fight fight fight  
Fighting the world  
Every single day  
Fighting the world  
For the right to play  
Heavy Metal in my brain  
I'm fighting for Metal  
'Cause it's here to stay

Fighting, fighting, fighting the world  
I been fighting the world  
Fighting, fighting, fighting the world  
I been fighting  
Fight for a living - Fighting the World  
Fight for a living - Fighting the World  
Fight for a living - Fighting the World  
Fight

Now people keep asking  
If we're going to change  
I look'em in the eye  
Tell'em no way  
Stripes on a tiger  
Don't wash away  
Manowar's made of steel  
Not clay

Fighting, fighting, fighting the world  
I been fighting the World  
Fighting, fighting, fighting the world  
I been fighting  
Fight for a living - Fighting the world  
Fight for a living - Fighting the world  
Fight for a living - Fighting the world  
Fight

See my brother  
Standing by my side  
Only got one thing  
On ever mind  
Radio's playing

This nation wide  
Turn it up louder  
Till we all get fright

Fighting, fighting, fighting the world  
I been fighting the world  
Fighting, fighting, fighting the world  
I been fighting  
Fight for a living - Fighting the world  
Fight for a living - Fighting the world  
Fight for a living - Fighting the world  
Fight  
Fight - Fighting the world  
Fight for a living - Fighting the world
