there comes a time  
when you need that push  
simple inspiration  
is all it took  
Robert Nesta  
the one man chosen  
to lift our spirits  
with songs of wisdom  
sing Jah music  
from trechtown slums  
no education  
just inspiration  
tuff-gong soul yeah  
just like no other  
for brother bob  
is I brother

some people say he was a prophet  
but oppressor man no like his dreadlocks

Bob Marley Medley(you know the words)

rastas within  
roots of creation  
sing Jah music  
no education  
tuff-gong soul yeah  
brother bob  
is I brother
