drunkards are out tonight  
drunkards are here to fight

Saturday night in Chico  
Sigma Nu is here so I go  
those bars those bars you can't lose  
you got to ditch those every day blues  
but you watch your back  
white trash are up and down on crack  
but the reggae it's jumpin', sigma nu is pumpin'  
(repeat)

so this the Chico style(inna de summertime)  
this is the rough style(right)  
let Jah music grasp you yeah(and do what?)  
and let the drunkards feel it too

so you're gonna break a while consuming sensi  
in touch with life and you're feelin' all right  
in a world so filled with hate  
why can't we party and stay safe  
Sigma Nu is jumpin'  
the reggae is pumpin'  
Mystic Roots is jumpin'  
reggae is pumpin'

I wanna feel it too...

I need to feel the reggae music as it flows through my  
body  
I'm at the party drunk as a fuck off some Bacardi  
that Hurricane has got my brain in chains  
Mary Jane smoke the only thing that's keepin' me sane  
I got the same game that I claimed from befo'  
but now I know that ego ain't the pro way to go and so  
I raise above another level  
obey Jah not the devil drop bass over treble  
a rebel from the laws, with a cause  
they leashed up Coot Dog, put cuffs on my paws  
flaws in society, deep inside of me  
I wonder why we quiet we supposed to fight and riot

be free like 215 but now they tryin' to stop it  
and alcohol stay legal and the death toll skyrockets  
don't get me wrong 'bout the liquor that's potent  
sure I like drinkin' after I'm cotton-mouth from smokin'  
hoping everybody wanna dance when they drink  
hell yeah drink up but bro, befo' you fight think!  
ain't it better with the reggae music pumpin' and  
jumpin'  
let's all stop funkkin' get drunk and get to lovin'

man no sober yeah
