It hurts so much
Yet I know it's right
This internal struggle
This emotional fight
Who is she with
Is she thinking 'bout me
All I ask
Is that she set my heart free

How deep is your cut, dread
(It's getting worse)
How much does it hurt, dread
(It hurts so much yeah)
How deep is your cut, dread
(It's getting worse)
When will it heal
(Jah Jah will show me yeah)

We argue and fight
With each other
My biggest fear
Is there will be no other
And who is she with
Is she thinking 'bout me
All I ask
Is that she set my heart free

I loved you more than anyone I've ever loved befo'
Learned to make love slow and let my true feelings
show
How to grow and to live I learned a lot from you
Our love was strong but now it's gone out of the blue
I'm thinkin' who is she with and is she tinkin' a mi touch
How much does it hurt, dread? It hurts so much
And now our love's all over and my head hangs sober
But deep in my heart I got a love hangover

And who is she with
Is she thinking 'bout me
All I ask
Is that she set my heart free
