"Rather be in Love"

Visit "[Rather be in Love](#)" on MotoLyrics.com

It's been so long since I felt the joy of true romance
I feel like a recluse
Some people think that it's just that I don't want to take
a chance
But that's really not the truth

It's just that the older I get, the more I like to be alone
Sometimes I can't relate
But I also hope that a rolling stone
Is not my fate

Take a look at me
Coming off so fancy free
Yeah, but in reality
I'd rather be in love

It's not that I need someone to come along and rescue
me
I'm doing fine this way
It's just that I know I've got so much love inside of me
What more can I say

Probably if she came along I wouldn't know what to do
But, then again, I might
Yeah, cause you don't really need a cue
When it's right
