high fathers - teaching knowledge - increasing
wandering through lands listening - mysterious folk
lore enchantment - through books desire - to learn the
truth to seek the raven - and the blood travelling for
many days i find the place - where the elves hide elves
of wisdom - knowledge of mystery i must seek their
knowledge faith growing - deeply raven and blood -
await me have i failed - is this folk lore time goes on - i
have no longer guidance confusion within my mind i
look up - and in the tree i see and i see the land -
covered with blood the raven finally - the eternity raven
and blood - they came to me ...and the raven became
my king [spoken] ...and the blood embraced me ...and
provided me with the strength of ...and entered my
veins the god war ares
