Only for pleasure - Just curious of something he had  
never heard  
Nobody told him - how he was to know this was his first  
step to death

Sacrals and crosses - fixed to the wall  
Blasphemy and sacrilige  
Dressed in black garments - Old nick hellish  
Degeneration of Church

Bright shining candles - a whimpering girl  
The High-priest starting his work  
Entraced adorers - raising their hands  
Whispering words of release

The Worship of Satan - The image of Death  
Taken possession of him  
He swore by the devil - to sacrifice life  
To propagare his hellish rules

Demons of Hell - Lucifer's acolytes  
Get hold of you - Doomed to eternal pain  
Wild obsession - Forced by the Evil's voice  
Celebration - Finish in ecstasy

Master - Master of Black Mass  
Master - Beyond the Realms of Death

Tortured by nightmares - all through the night  
Desperate search of refuge  
To break dependence with the develish pack  
Suicide - His last resort

Save - Your Soul  
Avoid - The Demon's Night  
The Reign of Hell  
The End of the Human Race
